Real Assets

Our Sustainability Pillars

We create vibrant and valued environments for the people who work, live and visit there every day. Because at Brookfield Properties, sustainability isn't a box we check. It's how we do business.

Real Estate Management

Mitigate the impact of our operations on the environment

Tenant Experience

Be good stewards in the communities in which we operate

Development & Design

Ensure the wellbeing and safety of employees

Property Management

Conduct business according to the highest ethical and legal standards

MAKING SUSTAINABILITY A REALITY

Electricity supply is **100% REGO-backed renewable energy**; providing transparency on renewable energy supply

Retaining and refurbishing materials during the renovation achieved a **saving of 587 tonnes in embodied carbon**

By refurbishing the floor and ceiling tiles we **saved 452 tonnes of carbon**. Equivalent to 22,600 trees growing for a year
